

Maynard High School

Public School District – Maynard , Massachusetts

Maynard High School is a highly rated school district serving close to 310 students accredited by the Massachusetts State Department of Education and the New England Association of Schools and Colleges. Maynard's small class size, diverse array of courses and extracurricular opportunities, close teacher/student connection as well as outstanding faculty attracts families from all over the world. Various opportunities for students exist in the areas of service, academic, student government, performing arts, and sports, etc. High school science, mathematics, speech and mock trial teams, as well as theatre productions are just a few avenues students have to express themselves.
