School Profile

BMETC's outstanding facilities reflect the commitment they have made in upgrading all of our campuses. All campuses have state of the art facilities for learners - Wi-fi cafes, fitness centres, hair and beauty salons and plasma screen TVs.

All the main campuses have fitness and exercise suites (gyms) which are kitted out with state of the art equipment specifically designed for fitness training. Sutton Coldfield Campus also has a sports hall. The Facilities are open to staff and students at peak times and fully qualified fitness professionals are on hand to support individuals with exercise programmes

Teaching facilities are outstanding with operating theatres, clinics, games development and media studios, forensic science laboratories along with our stunning Baxi Innovation Academy. The facilities provide the best possible learning experiences for our learners.
