### School Profile

Shoreham Academy is an outstanding learning community with the highest aspirations for both academic and personal excellence. Studying at Shoreham Academy is about much more than spending another year at school; it is about exploring subjects you enjoy in greater depth, excelling in qualifications, discovering new talents, supporting the community and developing leadership skills.

The Sixth Form offers a wide range of both academic and vocational subjects which are taught in state of the art facilities allowing each and every student ample opportunity to excel. Our wide-ranging and exciting programme of enrichment activities gives all students the chance to widen their experience. Activities include film club, fitness, political debates, Sixth Form newspaper, and trips abroad. Sixth Form students are also able to take on voluntary work in the local community. These work placements, which are arranged through the Outset organisation include working on a local hospital radio, helping out at a junior school and organising a pensioners' luncheon.
