- State of the art Sixth form facilities
- Varied extra-curricular activities designed to enrich and improve on the experience gained in the school
- Excellent exam results (100% pass rate) with many students moving onto top UK universities

School Profile

TGGS has been educating bright girls from Devon for more than one hundred years. The outcomes for girls who come here are excellent: our academic results put us in the top 20 state girls' schools nationally, our last Ofsted inspection rated us outstanding in all categories and our students go to top universities. The sixth form students are based in the modern sixth form centre: it contains state-of-the-art classrooms with interactive whiteboards dedicated exclusively to the teaching of Year 12 and 13 students; a spacious high street-like coffee shop to relax in; a Careers Centre and wonderful ICT suite. This building is five metres from the new Drama and Music block with its superb facilities, ten metres from the library (this is a silent working area just for sixth form students during lessons) and twenty from the excellent dining room.
