

Lyndon Institute

Private Boarding School – Lyndon Center , Vermont

Lyndon Institute is an independent, co-educational day and boarding school located in the beautiful north-eastern part of Vermont. The school occupies 150 acres in the middle of the historic New England village of Lyndon Center, situated along the banks of the Passumpsic River. Lyndon Center is a small historic village of about 2,000 inhabitants surrounded by the larger community of Lyndonville, which has approximately 6,000 residents.

Courses in the comprehensive curriculum range from college preparatory courses such as Advanced Biology and Chemistry, Advanced Math Honors and Advanced Senior Writing, which position a student well for admission to top-ranked colleges and universities. The institute also offers a series of Pre-Engineering courses, which prepare students to pursue degrees in architecture or engineering.

Lyndon Institute is large enough to offer a wide variety of courses and opportunities, but small enough to involve each student meaningfully in school life.

Excellent university preparation provided by this challenging and supporting school in New England. Welcome to Lyndon Institute!

Academic and Sport Facilities

27 buildings with networked classrooms and video hook-ups, 6 science laboratories, 5 computer laboratories, multi/media center/library with research computers 2 gymnasiums: one which seats 550 spectators, one which serves as a field house. 2 football fields: one for competition and one for practice; 2 soccer fields; field hockey field; baseball field; softball field; track and field facility; town-operated hockey rink next to school.

Dormitories and School Residences
