

Morgan Park Academy

Private Day School – Chicago , Illinois

Morgan Park Academy (MPA) is an independent, coeducational, non-sectarian college preparatory school located on the far South Side of Chicago in the Morgan Park. Founded in 1873, the school has about 160 students enrolled in the upper school. With small class sizes and strong teacher-student relationships, the MPA program invites students to develop a world view rooted in their own culture while broadening and deepening their thinking beyond the boundaries of campus, city, and country. Graduates emerge as confident young adults, original thinkers, and creative problem solvers. They progress into the next stages of their lives well-prepared for advanced college coursework and poised to meet and exceed the high expectations they refined at MPA. The mission at Morgan Park Academy is to engage the whole child, inspire the independent learner, and prepare the global leader of tomorrow to make a positive difference in the world.
