Academic Program

Not only do we prepare our students to succeed in college -- we do so from a biblical perspective. When students graduate from Portland Christian, they have a firm grasp of the academic subjects they need for college. They also understand the spiritual concepts upon which all knowledge is founded, and are able to continue applying their Christian faith to "real life," as they have done throughout their time at PCS. Most PC graduates continue the traditions of ministry and community service they began in high school.
