### **Private Day School – Spokane , Washington**

Since its inception as an independent, non-sectarian, co-educational, college preparatory school in 1955, Saint George's School has striven to build on its founders' vision of creating a unique educational resource in the Inland Northwest. The Saint George's community is committed to developing the intellectual, artistic, creative, and athletic potential of its students to their utmost. The school seeks to accomplish these goals while preserving traditional values of honesty, respect, generosity of spirit, and the pursuit of excellence that have long guided its members through nearly six decades of operation.

Saint George's students are high achievers with the highest SAT scores in the Spokane area and close to 300 points higher than the state average.
