Community service is an important component of a Christian education. It offers students the opportunity to share Christ's love through serving others. In addition, students learn more about their community and fellow citizens. Students are required to participate in the two school-wide service days that are organized each year.

Mission Statement

Valley Lutheran High School believes that Christ is the foundation of our school and everything that we do. We prepare our students as children of God academically, physically, socially, emotionally, and spiritually to serve in the world today and tomorrow.
